

Thank you for your interest in the Summer Volunteer program at Milford Regional!

Volunteering can provide an opportunity to learn & gain experience while providing assistance to others ~ (and we hope it is fun as well!). The kindness & assistance of volunteers is greatly appreciated by patients & staff.

To be eligible for the Summer Volunteer Program you must be at least 15 years old and make a commitment of 4 hours a week for a minimum of 7 weeks over the summer.

We will accept applications until April 15th. *Returning Volunteers need to complete a new application, and submit updated "Authorization for Health Screening for Minor".*

Please complete and return the following by April 15th:

- Volunteer Application
- On a separate sheet of paper, write one paragraph explaining why you are interested in volunteering at Milford Regional.
- Employee Health Permission for a Minor
- Employee Health Information Sheet
- Proof of immunizations from your physician.

Each summer there are many more teens interested in volunteering than we have volunteer openings for. It is always difficult to select from so many wonderful and capable teens. Teens will be selected based on age (priority given to older teens), availability (must be available for most of the summer), and interest. You'll be notified in early May regarding acceptance into the program.

We'll begin scheduling individual interviews in May. ~ Knowing your interests, skills and availability helps in making the best placement.

Thank you again for your interest in helping at Milford Regional.

Sincerely,

Elaine Willey
